Simple, modern design makes these kitchens a **perfect fit** for a variety of interior styles. Practical layouts and **solid craftsmanship** ensure everyday comfort, while a **wide range of models** lets you tailor your kitchen to your individual needs.

Choose your style: **Anika, Isabel, Gianna, or Sofia** – each offers proven quality, smart solutions, and timeless aesthetics.

Cosmo Design Kitchens – **well-designed kitchens at a smart price.**

welcome to the kitchen **ANIKA**

Modern
aura.

Anika is a combination of modern design and functionality.

It delights with its aesthetics, is **practical** and **durable**.

Anika has been carefully designed to meet the requirements of modern users, while offering **unique style and proven solutions**.

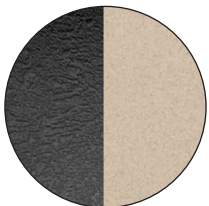

16mm melaminated fronts are available in two colors: **artisan oak** and **graphite**. You can freely combine them to create a unique combination.

Graphite body.

Anika's modern, loft-style character is highlighted by **sleek black PVC edging**, perfectly offsetting the warm artisan oak fronts.

Finished with a **128 mm black handle** made from durable, long-lasting plastic – designed for everyday use.

Dedicated worktop in **black rock** or **petra beige**, sold separately*.

*ask your retailer for the full range of countertop options.
